

Collect your card from a Nedbank or DSV locker.

Skip the queue and collect your card quickly from a locker at a Nedbank branch. This facility is also available at DSV lockers at selected Engen garages.

NEDBANK

You have up to 72 hours to collect your card from any of the over 250 lockers across the country. There is advanced security, remote monitoring and CCTV coverage, so you'll be safe!

How to collect your card:

-  Choose the location of the locker closest to you.
-  You'll receive an SMS with an access code you'll need to collect your card (it will be sent to you only).
-  At the locker, select Collect a parcel.
-  Enter the access code.
-  The locker will display which door is open.
-  A voice clip asking you to close the door will play as soon as the door is opened.
-  Lockers are available outside of trading hours.

Enjoy the convenience and save time!
