

Looking to have an affordable everyday banking account.

Open your MiGoals account
on the Nedbank Money app
in 5 minutes.

see money differently **NEDBANK**

Manage your money like never before.

Pay only R5 a month on maintenance fees with a MiGoals account and get the following:

- Free gold debit card.
- Free MyPocket account.
- Free card purchases.
- Free digital interaccount transfers.
- Free stop orders.
- Free eNotes (in-app notifications).
- 50% discount at Nu Metro.

Download and register for the **Money app** to enjoy more convenient and affordable banking, including free balance enquiries and 3 latest eStatements.

Be smart with your money.

My Smart Money combines your financial data with our expertise to give you personalised and relevant insights that help you track your spending and grow your money through the Money app.

To set up My Smart Money on the Money app, follow these steps:

- Log in with your app PIN, Nedbank ID, fingerprint or Face ID.
- Swipe right once to open your **financial Wellness** dashboard.
- Select **My Smart Money** to see your dashboard.
- Tap on the green pen next to your name to select the account you'd like to track.
- Track your spending, set up budgets, create savings goals and more – all in one place.

Send and receive money between participating banks instantly.

No waiting in queues, no hassles – just money in your account shap, shap.

- Register for your ShapID today and share this when you want to receive money instantly.
- Use the **Money app**, Online Banking or Cellphone Banking.
